

Call for Participation

We invite you to join us in **International Conference on Computer Science and Information Technology Advances (CCSITA 2023)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Computer Science and Information Technology Advances. The Conference looks for significant contributions to all major fields of the Computer Science and Information Technology in theoretical and practical aspects. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of CCSITA 2023 include:

- International Conference on Blockchain, Cybersecurity and Internet of Things (BCYIoT 2023)
- International Conference on Education & Integrating Technology (EDIT 2023)
- International Conference on AI, Data Mining and Data Science (AIDD 2023)
- International Conference on NLP, AI & Information Retrieval (NLAI 2023)
- International Conference on Vision Computing (VISCOM 2023)
- International Conference on Semantic Technology (SEMTEC 2023)

Registration Participants

Non-Author / Co-Author / Simple Participants (no paper)

100 USD (With proceedings)
